STATOTHR

Dear Dick:

Just a brief note to say hello again and to tell you how pleased Muriel and I were to join you and your wife at the Lyndon B. Johnson Library dedication last month. There have been few times when so many good friends have gathered together for such a happy occasion. And wasn't that a wonderful party at Arthur and Mathilde Krim's Santana Ranch. It gave a perfect ending to a historic and memorable day.

With my best wishes.

Sincerely,
